

Carve your own Jack-Bo-Lantern

Just ask Sun Belt Conference offenses, errant long snappers and over-eager referees, and they'll tell you how scary Bo Pelini can be. Now you can display Bo's intimidating scowl on your porch with a Pelini pumpkin. Use our pattern to create a Jack-Bo-Lantern. And if you have a few extra minutes, maybe you could carve up some plays for Shawn Watson.

INSTRUCTIONS

Supplies needed:
Scissors or X-Acto knife
Marker
Tape

STEP 1

Cut along all the dotted lines, removing the white areas.

STEP 2

Tape the stencil to the side of your pumpkin.

STEP 3

Trace the pattern onto your pumpkin with a marker or pencil.

STEP 4

Clean it out, carve it up, add some candles. Voila! Jack-Bo-Lantern.
